

Hard-Working Burglars Net \$500 from Market

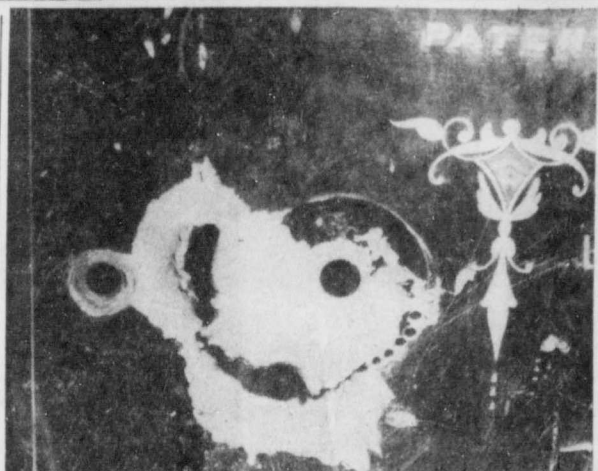

2 Safes Cracked, 1 Missed

CATHEDRAL CITY — Burglars this weekend broke into the Cathedral City Market and took a total of \$454.39 and a Masonic diamond ring out of two safes, but failed to break into another safe which was set into a 25 gallon block of reinforced concrete.

From the investigation, Sheriff's Deputy Paul Lewis deduced that "at least two men" were on the job which, after many hours of drilling and prying, netted them approximately \$500. There was a considerable additional amount of money in the safe which they could not break open in the floor of the market office.

ENTRY INTO THE market was made by crawling under the building and to a door on the west side of the market. With the use of an iron bar of some kind the burglars broke the hasp off the door and gained entrance into the store. A safe under the meat counter was their first project, but they found it easy to "crack" because it was empty and open and contained only the Masonic ring. The ring is described as having between a quarter and a half karat diamond set in it.

They apparently moved from this safe to one in the market office, and this time they spent many hours drilling and chiseling to break it open. They drilled a total of 27 quarter inch holes around the bottom of the combina-

ROY C. POTTER, owner of the Cathedral City Market, watches, top photo, while Deputy Sheriff Paul Lewis explains how the sheriff's office reconstructs the crime which involved burglars breaking into the market, open two out of three safes and leave with nearly \$500 and a diamond-set Masonic ring. Failing to open the safe by drilling the combination dial out of the door, lower photo, the burglars chiseled off the face plate, cut through 5 1/2 inches of fire brick and broke through to the money. They failed to open a floor safe which was imbedded in a 25 gallon block of reinforced concrete. (Desert Sun Photo).

tion dial on the safe and dropped out the knob, but were unable to spring the bolts back.

THEN THEY TOOK a chisel and broke all the rivets from the face plate, and after breaking it off cut away 5 1/2 inches of fire clay. The safe, made by Magneale and Urban Company of Ohio, stands 45 inches high, is 31 inches wide and 27 1/2 inches deep and weighs 1,500 pounds.

AFTER TAKING the money out of the safe, they apparently turned their attentions to a third safe,

a Gary Floor Safe, which had been set into a 25-gallon barrel of reinforced cement in the floor of the office. After tearing part of the floor away from the side of the safe, they tried chiseling the cement, but apparently gave up as a lost job.

According to Deputy Lewis, no one heard the apparent noise that must have been made, but one nearby resident complained that his television set "started flickering" about 10 o'clock Saturday night and I thought it was my neighbor using a drill, like he sometimes does."

45 Escape Injury As DC6B Skids

BANGOR, Maine (UPI)—Forty-five persons escaped serious injury when a four-engined North-east Airlines DC6B skidded off a Dow Field runway here.

Prompt, decisive action by Capt. Ervin Cumming, Winchester, Mass., was credited with preventing a disaster Monday during a driving rainstorm.

CUMMING WAS able to bring the nose of the big plane back on to the 7,200-foot runway though the landing gear mired in mud a few feet from the edge of the landing strip.

City Planners

Hearing Set on Industrial Zone

Continuation of a hearing on a proposed Highway 111 industrial subdivision, which has drawn opposition from the Agua Caliente Indian Tribal Council, heads the agenda posted for Wednesday's City Planning Commission meeting.

Scheduled for 3:30 p.m. is hearing on application of Milt Hicks for a change of zone from Guest Ranch zoning to C-2 for the area north of Highway 111 and M-2 for the area south of the highway on Section 30, of Highway 111 and on the southeastern city limits.

PLANS TO DEVELOP an industrial tract have been opposed by tribal members and executors of the Indian tribal lands.

At 3 p.m., planners will con-

Williamson, Local Senatorial Candidate, Seeks Presidency

Alexander Williamson, listed on today's election ballot as a senatorial candidate, today announced that he plans to be the first Palm Springs presidential candidate — in the 1960 elections.

Williamson, a retired accountant, made public his desire to seek the nation's highest political office with the following statement:

"MY CAMPAIGN as the only conservative candidate for United States Senator closes today. I now announce my candidacy for the office of President of the United States."

Williamson, now a resident of

Sahara Trailer Park, said he is announcing his candidacy two years before the next Republican convention because of "special reasons."

The reasons were stated in a release issued by a "Committee to Nominate and Elect Alexander Williamson United States Senator" which is now engaged in promoting the candidate's presidential campaign.

THE COMMITTEE stated that Williamson's campaign is primarily designed "to alert our citizens to severe critical and vital situations in our political and economic life that need careful study to correct a dangerous trend."

"Winning this campaign is not our objective," the committee stated, underlining the word "not."

"THIS IS AN educational campaign that will be carried on continuously, year in and year out, until our citizens become alert and informed," the committee release explained.

Williamson's supporters state, however, that they do not "expect" to receive the support or endorsement of the Republican Party in 1960. Williamson apparently intends to continue the campaign regardless of the outcome of today's primary election.

CITY OFFICES CLOSED TODAY, ELECTION DAY

Palm Springs City offices were closed today, Election Day, under a state law.

According to Administrative Assistant Richard DeLong, the local public offices close every national and state election day, under a state election code.

De Gaulle Granted All Powers Asked

Confers With Commander of Algerian Force

PARIS (UPI) — Gen. Charles de Gaulle took over greater absolute power today than any other Frenchmen in recent history, under a self-imposed mandate to restore peace in Algeria and put France on its feet in six months. In that time, he will rule without interference from Parliament.

NO SOONER HAD the French upper house put final approval this morning on the emergency powers De Gaulle demanded as the price of his return to power than he summoned the French supreme commander in Algeria to Paris for a military briefing.

Gen. Raoul Salan, accompanied by two aides, arrived in Paris at noon for the meeting.

DE GAULLE HIMSELF is scheduled to visit Algeria Monday for a showdown meeting in which he is expected to tell rebellious Army leaders and French settlers that the central government in Paris once more is in command.

De Gaulle rammed the last of his special powers bills through a reluctant chamber of deputies shortly after midnight and it went to the upper house Council of the Republic this morning. The upper house passed it 256 to 30.

THE AUSTERE, 67-year-old former French leader smashed a threatened revolt against him in the National Assembly by telling the deputies bluntly that he would resign if they failed to give him the powers he demanded to restore French political and economic stability at home and overseas.

The revolt collapsed immediately thereafter.

The bills became law as quickly as they can be published in the official journal today or Wednesday.

De Gaulle already had taken over the duties of the outgoing government of Premier Pierre Pflimlin and usual ceremonies were dispensed with.

WEATHER

Desert area forecast: Some variable cloudiness but mostly sunny today. Generally clear tonight and Wednesday. Winds 20-35 miles an hour at times today, decreasing Wednesday. Highs today 80-90 upper valleys, 93-100 lower valleys. Slightly warmer Wednesday.

Saturday's high was 101, low 60; Sunday's high was 98, low 59; yesterday's high was 96, low 59.

Graduation

120 to Receive Diplomas Friday

The largest graduating class in the history of Palm Springs High School will receive diplomas in commencement exercises at the high school quadrangle next Friday evening.

Commencement exercises for the 120 members of the Class of 1958 will begin at 8 p.m.

THE COMMENCEMENT address will be delivered by Charles F. Lindsley, dean of the Occidental College faculty.

The graduation program opens with a presentation of colors by the Owen Coffman American Legion Post, followed by the graduation procession and the Pledge of Allegiance, led by William

ART JARRETT, president of the Boys Club board of Directors, above, presented Howard Haddock, city recreation superintendent, a check for \$200 for the summer crafts program. Ray Lockwood, Boys Club executive director, and Boys Club members Richard Morse, left, and Terry Cray are watching the transaction. Boys Club members

will participate in this summer crafts program while they eagerly await the completion of their new Club House which is now 25 percent complete. Jarrett has announced that the crafts supplies will be available for all Boys Club members at the Cielo Vista School from 9-12 daily during the summer crafts program. (Desert Sun Photo).

Police Chief Commends 'Careful' Visitors, Villagers

Police Chief August Kettmann today offered his thanks to resort area and visiting motorists who made the Memorial Day weekend here one of the most accident-free holidays on record.

Police were called to only three city traffic crashes for the three-day period, marking only four minor injuries, despite bumper-to-bumper traffic that clogged both downtown thoroughfares from Friday through Sunday.

CHAMBER OF Commerce officials estimated that at least 15,500 holiday visitors filled all available living quarters in resort hotels.

"The caution exercised by motorists during the holiday weekend was very good," said Chief Kettmann. "We certainly had a lot less trouble than other communities through the nation and we are very thankful."

ONLY ONE SERIOUS non-traffic accident was recorded over the holiday period. Swimmer Russell McCrea, 41, of Palm Springs, was virtually "scalped" Sunday when he dove into a resort club pool and struck his head on a metal chair that was apparently tossed into the pool by an unidentified vandal.

Desert Hospital officials said that almost 100 stitches were required to knit McCrea's split scalp together.

MANY SIMILAR cases of malicious mischief, where vandals heaped rocks, patio furniture and even potted plants into resort pools, were reported by police.

In the weekends most serious traffic accident, four motorists were checked for very minor injuries when two cars collided at Tachevah and North Indian Avenue.

INJURED WERE Kenneth Miller, 23, of Compton; Carol Jean Bougneit, 23, of Burbank; Marge Berman, 20, of Los Angeles, and Gail Charles, 19, of Pacific Palisades.

Police cited Miller for driving without due caution after checking statements that the youth's vehicle struck the rear of Miss Bougneit's car while she stopped at the Tachevah intersection. The

two other girls were passengers in Miller's car.

IN THE WEEKEND'S only serious resort area accident outside the city limits, Steven Sherman, 39, of Los Angeles, escaped major injuries when he was hurled from his car as it overturned twice on North Indian Avenue, north of the Highway 99 overpass.

California Highway Patrol officers said Sherman apparently lost control of the car when he hit his brakes too hard as the wheels of the vehicle hit a hole in the road.

ONE VILLAGE motorist was charged with hit-and-run after he allegedly hit a parked car on North Indian Avenue and drove off.

Police cited Lloyd W. Wells, 31, of Thermal, for hit-and-run. Officer William Burns said he spotted Wells' truck when the Thermal man drove past Burns' patrol car, dragging a chrome strip on his rear bumper. The strip was apparently peeled from the rear of the parked car.

ONLY TWO CAR clouts were reported to police over the holiday. Miss Elaine S. Putassi, of Los Angeles, reported the theft from her car of a \$300 diamond ring and Myron A. Smith, of Sherman Oaks, said thieves took a pair of glasses, gloves, his credit book and camera from his parked auto.

Police and Palm Springs Welfare and Friendly Aid Workers played Good Samaritan for a group of six Mexico City teachers stranded here when their car broke down.

Sgt. John Herrera said he found the six sleeping behind a service station Sunday. The group returning to Mexico from a San Francisco educational convention, was provided lodging until their car was repaired yesterday by the Welfare and Friendly Aid, under the direction of Mrs. Bernard Poliak.

14 Americans Are Among Passengers

Plane En Route To Mexico City From Tijuana

GUADALAJARA, Mexico (UPI) — A Mexican Airlines plane with 45 persons aboard — including 14 Americans — crashed atop San Augustin Mountain 12 miles from here today. There was no sign of life at the scene.

Apparently there were no survivors among the 38 passengers and seven crew members on the Aeronaves de Mexico Constellation that was on a flight from Tijuana to Mexico City by way of Guadalajara when it vanished Monday night.

SEARCHERS FOUND the wreckage smashed against the 8,000-foot mountain at daylight today. Rescue parties were dispatched immediately for the almost inaccessible summit.

The plane landed here from Tijuana, discharged some passengers, took on others, and took off in a heavy rainstorm for the capital at 9:07 p.m. p.m. The pilot checked in routinely at 9:17 p.m. but after that there was nothing but silence.

RESCUE WORKERS said the plane apparently hit the mountain shortly after dawn. While the mountain is 8,000 feet high, Guadalajara itself is 5,000 feet above sea level, making the crash scene only 3,000 feet above ground level.

The U. S. consul at Guadalajara said 14 Americans were aboard.

AMONG THEM WERE said to be two scientists from the Scripps Institution of Oceanography at La Jolla, Calif., Townsend Cromwell and William Shinada. They are members of the Inter-American Tuna Commission and boarded the plane Monday at Tijuana, according to San Diego travel agent John Hjorth.

Also said to be aboard was Alfredo Gayou, U. S. representative of the airline.

The pilot was listed as Capt. Alfonso Ceana, 47, Mexico City. The co-pilot was Capt. Robert Herrera, 47, Mexico City.

Ike to Skip News Conference

WASHINGTON (UPI) — President Eisenhower will not hold a news conference this week, White House Press Secretary James C. Hagerty said today.

LIGHT VOTING REPORTED BY NOON, EXTRA SET

Early voting in the northern Coachella Valley indicated a light vote in the desert in the Primary election today.

A third of the local precincts showed approximately a 15 percent vote at noon today, but election polls are bracing themselves for a much heavier vote during the late afternoon and evening.

Polls will close at 7 p.m. The Daily Desert Sun will be the Election Return Center tonight and the staff will be on hand all night to compile county and state returns. An Election Extra will be published by The Desert Sun and will be on sale at 7:30 tomorrow morning, with a complete tally on the election returns plus reports on all major issues and candidates.

Realtors to Hold Industrial Meet At Riverside

An Industrial Conference co-sponsored by the California Real Estate Association, the Riverside Board of Realtors, and the San Bernardino Real Estate Board will be held at the Mission Inn in Riverside on Friday, July 11, it was announced by Arnold Dahl of El Cajon, chairman of the CREA industrial development division.

Representatives from industry and realtors specializing in industrial real estate from throughout the state will attend the all-day meeting, said Dahl.

"The continuing dynamic growth of industry in California has created an unprecedented demand for well-planned industrial developments in all parts of the state," said Dahl. "Space in existing industrial areas is depleted and new industrial parks in good locations are completely sold out almost as rapidly as they can be planned and developed."

Dahl said that this conference is being held to meet the demand for more information by small communities throughout the state who are becoming increasingly "industrial conscious" as a result of their accelerated increase in population and the continuing growth of freeway systems.

Not For Him

WESTPORT, Conn. — (UP) — Edward Bienkowski liked making laws better than enforcing them. Bienkowski, a former state representative, resigned shortly after joining the state police force, explaining, "I didn't like the work."

DAVE BURTON and the Burton Boys got the Chi Chi's new-look Starlite Room off to a flying start over the weekend. Burton's exuberant and versatile brand of singing and funmaking proved tailor-made for the newly created intimate dimensions of the Starlite Room, half of which has been closed off for the summer. Working from a floor that brought him close to his large and appreciative audience, Burton garnered a tremendous reception for his remarkable ability to sing in 16 different languages. Dave and his talented troupe are a nightly attraction at the Starlite Room.

THOUSAND PALMS

By IZETTA HUNT

There was a good attendance at the annual dinner of the Thousand Palms Chamber of Commerce at the Desert Moon Ranch. Tables were arranged on the lawn and patio. After a meal of barbecued sirloin steaks prepared by Walter Bovee, Walter Rice and Karyl Thompson, guests were entertained by Miss Francine Richardson of Indio on the electric guitar. The evening was rounded out with dancing to the music of Mrs. Charlie Callejo at the organ.

Mr. and Mrs. Larry Dovey are the parents of a girl. Grandparents are Mr. and Mrs. Lloyd Dovey.

The regular monthly meeting of the Thousand Palms Chamber of Commerce was held Monday, June 2, at the home of Mr. and Mrs. Jack Singler on Arbor Real. This was the last meeting until fall.

At the May business meeting of the Desert Business and Professional Women's Club of Cathedral City, Miss Elizabeth Nelson was named to two standing committees — International Relations and Legislation — and as chairman of two special committees — Music and Women in Public Office. Miss Nelson became a member of the Desert Club in the fall of 1957. She served this past season on the International Relations Committee, and as chairman of the Music Committee.

Reichert Rites Conducted Here; Burial in N.Y.C.

Funeral services were conducted here yesterday for Catherine M. Reichert, 50, of 1485 Calle de Maria, who died at her home Friday morning.

A native of New Rochelle, N.Y., Mrs. Reichert was a Palm Springs resident for two years and had lived in California for 11 years. She leaves her husband, Charles G., and a brother, Joseph M. McGuire, of New York City.

The body will be sent to New York City for burial by Wiefels and Son Mortuary. The family has requested that contributions be sent to the American Heart Association, in care of Charles Reichert, 1485 Calle de Maria, in lieu of flowers.

The great natural forces that formed the gigantic Carlsbad Caverns of southern New Mexico began their work some 60 million years ago.

Mobile Home Industry Experiences Banner Year

The mobile home industry has experienced another banner year as total sales reached an all-time high of \$388,803,700 and production climbed to 140,325 units during 1957, according to Edward L. Wilson, managing director of the Mobile Homes Manufacturers Association.

"These new sales and production figures indicate a growing trend on the part of the American public toward economical and comfortable mobile home living," Wilson said. "At the same time, more people than ever before are finding travel trailers ideal for their short and extended vacation periods."

Water Shortage

SPRINGFIELD, S. D. — (UP) — Southern State Teachers College has a laundry problem. The soft water well on the campus will not pump sufficient water to supply enough for the various buildings and laundry so the laundry must be shut down for a few days at a time. W. W. Ludeman, college president, said the institution is considering requesting fund to drill another well.

THE NEW SALES figure is \$12,803,700 more than the 1956 figure of \$376,000,000. And the latest production total is better than the previous high of 1956 by 45 of one per cent.

"The growth of the mobile homes industry has been tremendous," Wilson stated. "In its 27-year life, production rose from 1,300 units in 1930 to the current 140,325 units. In the 10-year period through 1957, production went up 133 per cent, while sales volume increased 300 per cent."

RIGHT NOW, MORE than 3,300,000 persons reside in over 1,200,000 mobile homes. There are

approximately 250 mobile homes manufacturers and 4,000 dealers located throughout the country. Wilson pointed out.

Mobile home owners represent a large cross-section of the American public, according to Wilson. He said:

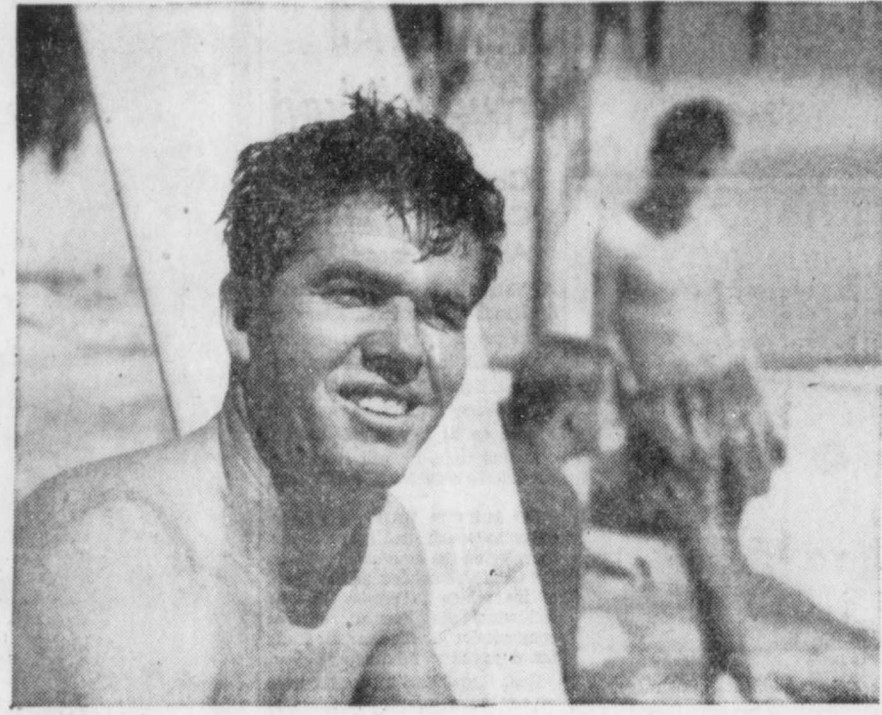

—63 per cent are mobile or semi-mobile occupation workers.
—20 per cent are members of the Armed Forces.
—10 per cent are retired or aged persons.

—3 per cent are salesmen, engineers, teachers, businessmen, and ministers. Included in this group are units bought for specialized purposes such as libraries, laboratories, showrooms, banks, and field offices.

Frenchmen Are Looking Beyond De Gaulle Into the Future; Wonder of Country's Fate

(Editor's Note: General Charles de Gaulle's rise to power seemed so inexorable in the past week that the National Assembly vote making him premier was almost anticlimactic. But is de Gaulle the end of a crisis—or the beginning of yet a greater one? Thomas R. Curran, vice president and general European manager of United Press International, analyzes it in the following dispatch.)

By THOMAS R. CURRAN
United Press International

PARIS (UPI)—The government of Charles de Gaulle is only a few hours old but already Frenchmen look beyond and ask: "What next?"

The general has welded himself a majority in the National Assembly. But that is not his major challenge.

It is a constitution that does

not work. A war without solution. An economy off the rails.

DE GAULLE ASKED for six months to settle these problems—grave problems that have vexed France for years.

Deputies will tell you they are not afraid of De Gaulle. "What worries us," they say, "is what happens if he fails."

This is the mares-nest of trouble that De Gaulle would cure in six months:

REFORM THE constitution. De Gaulle feels the present system of government is impossibly weak. His government is the 27th since the war? De Gaulle wants the executive to have full powers, more on the American pattern, and he thinks the people should vote directly on the reform.

—End the war in Algeria. This may be the gravest challenge. Can even De Gaulle stand firm when two runaway trains collide with him in the middle—resurgent French colonialism on one side and Moslem determination for freedom on the other?

—GET FRANCE'S economy back on the rails. The war in Algeria has been a fearful drain, costing some 650-million dollars to date, with the Algerian nationalist movement stronger than ever.

There are other chronic ills—

Christian Science Board Welcomes Space Age

BOSTON, Mass. — Humanity's emergence into the space age should be greeted with firm assurance of God's unerring direction and supporting care, The Christian Science board of directors said today.

Some may view this age with fear and trembling, but Christian Scientists welcome it and the opportunities that accompany it, they declared.

MORE THAN 7,000 church members from many parts of the world heard the directors' message at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston.

Scientific reliance on God's power is showing the way, the directors said, to bring peace and harmony both to the individual and the world.

In spite of the material progress being made, it is becoming evident that material discoveries "are not really solving the basic problems confronting humanity, but seem, in fact, to be increasing them," they said.

STRESSING THE challenge of the new age, they added: "While the constructive uses of modern inventions promise much, their destructive possibilities ... would threaten the very existence of our present civilization."

"Consequently, thoughtful people are beginning to realize that only by availing themselves of a higher power, a force far more powerful than that obtained through nuclear fission or fusion, can men hope to hold in check and nullify the evil elements of the human mind which would

threaten to misuse the inventions of the space age."

The Desert Sun is an independent newspaper dedicated to truth, accuracy and impartiality in the news; to the progress of the desert region; to the support of that which it believes to be right and to the defeat of that which it believes to be wrong.

President's Program Deserves Support

Some months ago, when the Russians had launched their first Sputnik, there was a great hue and cry among Americans to name a "Missile Czar," and step up the space race through united and unified command and effort.

Today, President Eisenhower is attempting in a mildly moderate manner to correlate such scientific space projects of the various agencies and armed services.

In fact, the President's program is even somewhat less than that, being primarily designed to inspect and review appropriations and budgetary items in this special category.

And yet, what a howl has arisen in certain sections of Congress and from the vast and sprawling military domain in the Pentagon.

Under the Constitution, the President is the commander-in-chief of all armed services as well as the chief executive of the nation. In this particular instance he happens also to be one of the

outstanding military leaders of the present generation.

In carrying his cause to the people, the President has said that his objective in the proposed unification is twofold. First is to reduce to a matter of minutes instead of hours, the time within which the United States could combat and return an atomic attack on an aggressor against the United States. Second, to assure the fastest progress in development of our scientific skills and accomplishments in the new space age.

While there may be justifiable differences of opinion as to minor detail in how these two urgent goals are reached, it is certain that both are absolutely essential to our safety and survival.

The old military axiom that "he who controls the sea controls the world" is no longer in effect. Whoever has mastery in the air now controls both land and sea.

All of our armed forces must work together to that end.

The Winged Army

FORT BRAGG, North Carolina—It took only two hours during the Nixon escape from Caracas to alert two Army companies and get them airborne. Altogether it took only 15 hours, flying at night and at 15-minute intervals, to land the two companies in Puerto Rico.

This is an excellent state of readiness, but it is no more than a good beginning at Army mobility. Suppose it were necessary to move two battle groups? Or two divisions? Or the four divisions which make up the new combat ready force called STRAC—Strategic Army Corps? Do we have the air lift to do it?

MAJOR GENERAL Robert F. Sink, a large and hearty paratrooper, is the commander at Fort Bragg of the two famous air-borne divisions—the 82nd and the 101st—which make up the 18th Air-Borne Corps, the jump troops of STRAC.

It would be Gen. Sink's job in a pinch to get his troops to the airfields, ready to board. But to have the planes there, an order would have to come from the Joint Chiefs of Staff, through the Air Force and the Military Transport Service, down to numerous unit commanders whose planes might be anywhere in the world.

THE CHAIN OF command is much too long. Aircraft are much too scarce. There is almost no chance—such is the demand everywhere for planes—that we could rush as much as one full division to a trouble spot as far away as the Middle East.

Contrary to some loose opinion on the subject, neither Gen. Sink nor any other high-ranking

Army officer is seeking a fleet of transport planes under command of the Army. In fact, it's surprising to a visitor to find out how little the Army officers know about large transport aircraft, a responsibility which belongs to the Air Force.

THE ARMY CONCENTRATES on its business of ground-fighting—but it is very much concerned today with the matter of getting to its battlefields.

This situation today on air lift is that we are caught in an awkward half-way position. We have the largest and best air transport fleet in the world. But this fleet is not modern enough, nor flexible enough to do what our world policy makers are asking it to do.

IN MANY INSTANCES we are using obsolescent planes and have not been fully supplied with up-coming replacement vehicles. For example, the C-124 Globemaster is the last of the reciprocating-engine long-haul transports. Its replacement, the C-130, a turbo-prop plane with greater payload and range, is not yet available in usable numbers.

While the Globemaster is still a fine long-distance transport, it is not suitable for combat, paratroop jumps, mainly because, with a capacity for 200 troops, it takes too long to unload them. "It scatters the men from hell to breakfast," Gen. Sink tells me.

THE BASIC JUMP-TROOP planes today are both good ones, the C-119 Flying Boxcar and the C-123 Provider—but they are two-engine Korean War vintage. Their replacement, the turbo-prop C-130 Hercules, is just beginning to filter into the units at Fort Bragg. Although history is moving fast all around us, the supply of Army transport planes is creeping.

It is wrong to blame Congress or the Pentagon for not slicing the military budget in a way to meet all requirements. But a good case can be made for making more air lift available to the Army. For one thing, air lift is the most economical transportation, because of the fast turnaround.

FOR ANOTHER, every missile that is tested these days brings us closer to the time when manned bombers will be obsolete. We still need the Strategic Air Force to offset the Russian lead in rocketry. But the deterrent of nuclear warfare seems to mean that we are swinging a full cycle back to the days when soldiers fought soldiers and left the civilian population alone. This would mean that the Army gets back to its traditional role as a major fighting force.

The Army has been reduced in numbers but increased by firepower. We now have only 16 divisions, totalling 910,000 bodies. The way to keep these numbers down is to make them mobile enough to cover our commitments by air lift rather than by occupation.

It is only a matter of time before we will find it better diplomacy to bring our troops home from West Germany, Italy and South Korea than to leave them there. The ideal arrangement would be to have only token forces abroad, and to have the bulk of the Army ready to fly in at short notice.

— Holmes Alexander

Dear Abby...

DEAR ABBY: I'm a woman of 58 and have been the victim of two long engagements, neither of which materialized so I am unmarried. I have been seeing a fine professional man who is 60 and was widowed a year ago. He says he adores me and shows me much respect. He wants to marry me. He is well-to-do, generous and considerate, but I am wondering if that is enough. Don't you think a woman is entitled to more? Thrills, I mean. Thank you.

NOT THRILLED

DEAR NOT: At 58? Grab him!

DEAR ABBY: I live in a rooming house where there are six other apartments. The landlady gave me a key for my door and I just found out that my key fits everybody else's door and theirs fits mine. She says if I don't like it I can call a locksmith and pay for changing the lock on my door. I don't want to move because this place is handy to my work. Can I force her to give me the privacy and security I am paying for?

NO PRIVACY

DEAR NO: You can't FORCE her to do anything. She is being very petty but if you like your apartment, better take her suggestion.

DEAR ABBY: My girl and I are going steady and intend to

be married in about a year. I've always addressed her parents as "Mr. and Mrs. So and So." She never addressed my parents as anything, but all of a sudden I noticed she started calling my mother "NELLIE" and my father "BILL." They almost choked but didn't say anything. Is this proper? If it isn't, do you think I ought to correct her and if so, how?

JIM

DEAR JIM: It is proper only if the parents don't object. (Some rather don't object.) However, if yours almost choked, I suggest you cough up the courage to ask your young lady to address your parents as "Mr. and Mrs. So and So."

DEAR ABBY: My husband and I are expecting a child in about four months, however, we cannot support ourselves. Let alone another child. Although we would like to keep the child we know it would be much better to put it out for adoption. I feel badly about having to write such a letter but we feel that trying to support another child would be unfair to the four we already have. Can you put me in touch with an honest adoption agency who would place our baby in a good home?

REALISTIC PARENTS

DEAR REALISTIC: It is inconceivable to me that parents would willingly give up their own child for this reason but if

you call your local Community Chest, Family Service or County Welfare Association, they will place your baby in a good home.

DEAR ABBY: My husband is 64 years old but he keeps getting younger if you know what I mean. He walks to work every morning and stops by a lady's house for breakfast because he says he likes her biscuits. My friends tell me not to worry because he is an old man and this woman wouldn't be bothered with him, but they don't know my husband. He bought her a pair of silk stockings for Mother's Day and she isn't his mother. What should I do about this?

MAD

DEAR MAD: There's no fool like an old fool and your husband is behaving like one. Get the lady's recipe and break up the Breakfast Club.

CONFIDENTIAL TO PINKY: The surest way to make a man wonder if he still loves you is to keep asking him.

CONFIDENTIAL TO "IN TROUBLE": I will keep your secret forever—but you can't. Try the sack dress and confer with the man in the case.

For a personal reply, write to ABBY in care of this paper. Enclose a self-addressed, stamped envelope.

France

THIS SIDE of The Sun

By Phat

The smog and fog
May make me sneeze.
But, wow, I love
That ocean breeze.

Yes, this is date line: Long Beach.

LOLLING ON a bench overlooking the sad, sea waves. Although, why they call them sad, I don't know. They look happy enough.

Anyway, as they say in railroad circles, when there is a change in schedule, the redoubtable Ford has been taken off the Long Beach-Palm Springs run and put on the Long Beach-Hollywood Park run.

ONE OF THE FIRST persons I ran on to at the beach was the Old Codger who shared a bench with me last summer while watching the doings on the sand and in the surf.

He was disgruntled and caustic, as usual.

This time his criticism was not directed at the attire of the beach girls.

It was directed against too much progress.

SINCE LAST SUMMER the City of Long Beach had thoughtfully replaced the old wooden stairs and its convenient wooden benches with a solid concrete structure.

I like the change. I can slide along the bench now without picking up a cargo of splinters. But the Old Codger was mumbling as he rested his chin on his hands, cupped over the head of his cane.

"Too darn cold when I sit down," he said.

TELEVISION can be as irksome as billboards. Just like the billboards make a captive reader out of you as they hide the scenery, TV commercials make a captive listener out of you as they hide the movie or the sports event.

Worst part of it is when they do not produce what is promised. Of Sundays, for instance, not much time is devoted to the news or to sports.

SO WHEN I saw listed on the schedule of Channel 9 that there would be 15 minutes of sports, starting at 5:45 p. m., Sunday, I tuned in and waited for the news of the day.

For 11 minutes there was a dreary monologue on some new preparation that will out weeds, knock bugs into eternity instantly and make a lawn lush green right away.

Then two minutes on another commodity. What happened the last two minutes, I don't know. Because I switched off TV, deciding to wait for the morning paper.

HERE'S THE BOX SCORE of what was served over seven Los Angeles TV stations in one week in May.

Prepared by the National Association for Better Radio and Television, the seven L. A. stations in the week showed:

161 murders, 60 "justifiable" homicides, 2 suicides, 192 attempted murders, 83 robberies, 18 kidnappings, 24 conspiracies to commit murder, 21 jailbreaks, 7 attempted lynchings, 6 dynamite bombs, 11 cases of extortion, 2 of arson and 2 of torture.

And all before 9 p. m. so the kids could see them.

STAN DELAPLANE'S Postcard

This is the hot, sticky season in Hong Kong when postage stamps become one hard lump. And all the envelopes in the package seal themselves automatically forever.

The Hong Kong police are in starched summer khaki shorts. Short sleeve blouses, blue caps. Black polished shoes and short black leather puttees.

BUSINESSMAN'S DRESS is a white, short-sleeve shirt and white shorts. The Chinese girls look cool in their cheong-sams—the naturally air-conditioned Chinese dress with a slit halfway up the sides.

"Catch soap please." My room boy looks very gloomy when I ask him for hotel soap. He can sell surplus soap down the street and sees no reason to give it to me. I am breaking his rice bowl.

HONG KONG has a constant water shortage. At present the water is turned on twice a day—5:30 in the morning until 10 and 4 in the afternoon to 9:30.

While the water is on, we fill the tub with a supply for the dry hours. A fixture in all bath-rooms is the big dipper pan for transferring tub water.

Refugees still slip in from China in the holds of the big junks coming down the Pearl river. The Crown Colony has climbed to a jammed 3,000,000.

RUSSIAN CAVIAR is \$16 a pound in the Parisian Grill. White Russians coming out of Harbin cannot bring money. But they can bring big 4-pound tins of caviar sealed with a rubber band. The caviar can be converted to Hong Kong dollars.

Shopping this morning on Queen's Road. You never know what taxes you pay until you shop in a duty-free port.

AN AMERICAN radio costing \$75 in the States sells at Lane, Crawford, Ltd., for \$85.

A Swiss watch in Gloucester House: I saw it for \$225 in New York; \$150 in Zurich; \$115 in Hong Kong.

A German hi-fi set: \$275 in the States; \$135 in Frankfurt; \$105 here.

A German camera; \$175 in San

Francisco; \$110 in Germany; \$90 in Hong Kong.

A Japanese camera: \$130 in the States; \$75 without tax on the Ginza; \$65 in the Tokyo PX; \$62 in the colony.

HONG KONG after dark: The cool elegant Peak where the breezes blow on the rich, twinkling lights. The crowded Chinese quarters where people sleep on camp cots on the sidewalk. The streets crowded with tiny lighted stalls.

The rickshaw boys parked in double rows where the people surge off the ferry to Kowloon. The clean lighted little ferries surging every 10 minutes across the strip of water from island to mainland.

The neon signs on the ball-rooms:

Gentle, Beautiful
English-Speaking
Chinese Hostesses

We get up early in this tropical weather. A funeral passes by near my hotel. An important man, for there are three brass bands. The paid mourners straggle out for two blocks. The bands are playing a lively march. A jaunty tune.

The paid mourners do not look very unhappy. Signs praising the deceased are carried by sweating coolie women in baggy blue pants.

A nice way to shuffle off it seems to me. Mourners happy to be on a paying job. A few booster signs on the line of march. And a quick-step song from the trumpets.

Letters

Editor,
The Desert Sun
As President of the Optimist Club of Palm Springs, may I take this opportunity of thanking The Desert Sun, for the wonderful publicity given to help make our annual Luncheon a complete success.

It was very successful and proceeds made will assist us to carry forth new projects to keep intact our slogan "Friend of the Boy."

Wm. F. (Bill) Zech, Jr.
Yours in Optimism

GRIN AND BEAR IT By LICHTY

"... And while I favor federal spending to combat the recession, I shall demand an investigation of such reckless spending when it's over!"

EARL WILSON:

Vikki Dougan's Film Future

NEW YORK—Miss Vikki Dougan, the gal with the seatless seat in her dress who reared up and got a lot of publicity last year, is putting the whole incident (you might say) behind her.

Vikki's plunging forward ... instead of backward in her career ... and yet she wants everybody to know that she didn't really do it.

"It was a satin dress, very tight," Vikki told me, "and when I got up after several hours of sitting, the bottom wasn't there any more. But that was an accident ... very boring ... let's talk about now!"

Vikki maintained the incident didn't hurt her—as other people claimed—pointing out that she's doing a play, and has recently been in "The Great Man" and "Tunnel of Love," the movies.

I asked Vikki about the alleged practice of Hollywood gals calling guys for dates and she said, "No, but suppose you're going with an actor ... and you say after a premiere, 'I'd like to go to Mo-cambo' and he says, 'But I can't afford it.' So you say, 'I don't want to embarrass you but couldn't we go if I paid the bills?'"

It happened to her, she said, "and strangely enough, if men accept it, they resent it." Vikki said she may be a sexbomb in the papers but she's had three dates in a year. "The men you go with want to get married," she added. "The trouble is, they never say when."

Strip-tease flash: Tony Perkins wrote to Mel Ferrer—who'll direct him in "Green Mansions"—"I've been working out in a gym here in N.Y. and have a whole new set of muscles. Be sure I get to take off my shirt in the picture."

Groucho Marx is again eager to do some Gilbert & Sullivan which revives the remark allegedly made by Samuel Goldwyn. Said Sam: "Gilbert and Sullivan have never been very successful in pictures. Not that I want to knock them—I don't even know them."

Goldwyn gave a farewell party for his vice president, Robert Newman, and told Newman,

"You've done such a wonderful job for me, you can always come back here—for lunch."

Good things just happened to a couple of Wilson Girls. After I published the picture of Gail Fenton, 17, of Berkeley, Cal., the N.Y. office of 20th Century-Fox called Hollywood scout Al Melnick who requested Gail to go down to L.A. for interviews. She did—and 20th is now putting her in its actress-training school and has high hopes she'll be another Audrey Hepburn. Gail was nominated as a Wilson Girl by Dorothy Friend while she was modeling with the San Francisco House of Charm.

THE MIDNIGHT EARL ... Tony Canzoneri says he'll marry Grace Levitt ... Author Evan Hunter was cancelled off the Gar-roway TV'er—they decided his book, "Strangers When We Meet," was too spicy to discuss ... Mrs. Yogi Berra and Mrs. Phil Rizzuto now have a mgr. to handle their TV appearances and testimonials ... David Wayne was offered a "Person-to-Person" guest shot, but producer Jule Styne won't let him out of "Say Darling" for the night.

Ted Collins is already mapping plans for an industry-wide salute to Kate Smith next May 1—her 50th birthday ... Singer Johnny Johnston is the latest celebrity to become a softball casualty—he busted a finger ... Barbara Hutton is pleading with son Lance to cut down on his auto racing.

WE'RE GETTING INTO the time of year when the average suburbanite thinks the government should cut fooling around with satellites and figure out a way to get rid of mosquitoes.

WISH I'D SAID THAT: "Any day that starts with getting up in the morning is a tough day."

One famous H'wood actress still recalls sadly the day her husband divorced her. It happened the same day the cook quit. Singer Della Reese figures movies must be getting better: "I went to a drive-in theater the other day and didn't see anybody necking." That's earl, brother.

MIKE CONNOLLY:

20th Buys Comedy Hit

PARIS—From my lookout here at Hotel Prince de Galles, I discern that 20th-Fox has bought the film rights to "Patate" (slang for potato), biggest comedy hit in Paris. It's about a guy whose daughter becomes the mistress of his bitterest enemy and Tom Ewell will star in it on Broadway pre-Hollywood.

Portifio Rubirosa, attache for the Dominican Republic here in Paris, is preparing to fling a lawsuit at Paris Presse for quoting him to the effect that his boss, Ramfis Trujillo, "should never have spent all that money on Kim Novak, Zsa Zsa Gabor and Joan Collins."

STEPHEN BOYD lost 23 pounds working on the "Jewellers of 'Clare de Lune'" with Brigitte Bardot, who washed both Boyd and Raf Vavone out of her hair in order to concentrate all her affluence on Frank Sinatra, who arrives in Monaco June 14 for Prince Rainier's and Princess Grace's gala and the world premiere of Sinatra's new one, "Kings Go Forth."

Mitzi Gaynor says "the sack is like prohibition era speakeasies—same old joints operating under cover."

INGRID BERGMAN is letting Roberto Rossellini use her Hotel Raphael suite in Paris while she makes "The Inn of the Sixth Happiness" in London. It's a huge suite and Ingrid's current chum, Lars Schmidt, bachelors there while he's in town, too.

Hazel Scott will do a French version of "Anna Lucasta" in Paris this fall. Asked if she isn't leery of doing the whole thing in French, Hazel tittered, "Mais non, mon vieux, I can parler pretty good now."

MISCHA AUER is going back to the U. S. in the fall when he will have saved enough to pay Uncle Whiskers his 1949 taxes. The press boys here say that Gina Lollobrigida arrived for the last day of the Cannes Film Festival but didn't take the steam out of Sophia Loren's first-day arrival. Additionally, only one photog met Gina compared with the dozen or so who showed up the same day to meet Orson Welles.

RUSSIAN FILM delegation to the festival lined up at the bar at the Royal Monceau for breakfast and ordered Cokes ... Margo and Eddie Albert adopted two Korean orphans and Eddie aired to Madrid to adopt a Spanish baby.

George Sherwood is seeking a U. S. release for his Mysore-made movie, "Jangal," high points of the documentary being the scene in which an entire herd of elephants turns on the Judas elephant that led them into captivity and tramples the traitor to death ... Overheard by Jimmy Ritz, anent an also-ran nag at Longchamps, "when

he runs with the horses he's a bum—when he runs with bums he's a horse!"

TV TOPICS—CBS-TV owns half of Leave It to Beaver, so howcum ABC-TV wangled it away for showing on its own network next season? ... Canadian Broadcasting Co. and British Broadcasting Co., no faint-hearts they, just snagged the tele-rights to "Chain Reaction," self-same telewriter Dick Berg (now a screenwriter at Hecht-Hill-Lancaster) peddled to Hollywood and New York producers several years back, without success. Reason for the turn-down being that the guilt-by-association theme of the drama was "too controversial."

Guy Mitchell saw a western on TV that must've been produced by Jack Webb. The cattle weren't branded—they were stamped "Mark VII."

DONALD CRISP claims the advent of TV has made it a whole lot easier to break into the movies than it was 50 years ago when Crisp was just getting his start in show business.

"Nowadays," says the veteran thespian, "one brilliant performance on TV can mean the start of a whole new career in motion pictures. Look what happened to Eva Marie Saint, who was snatched from TV and wound up almost immediately an Oscar-winner for 'waterfront'—and to Jimmy Dean? TV is the modern-day counterpart of the old-time movie talent scout."

Moral: If you want to break into the movies, keep busy on TV. Sooner or later you're bound to be discovered.

HUGH (WYATT) Earp O'Brien is a Virgin Isles' vacationer prior to prepping his summer-stock "Picnic" stint in Westport, Conn. ... Little Evelyn (Eloise) Rudie's handlers, all set with a merchandising tie-in of dolls, toys, clothes, etc., expect to mop up all manner of moola when the moppet star's new teleseries, Cindy, is sold.

If Tennessee Ernie Ford's latest hymn album, "Nearer the Cross," continues its fantastic 20,000-per-day sale of the past three weeks, it just might knock "16 Tons," of Ernie's previous single smash, right off the top of Capitol Records' all-time hit list.

Overheard at NBC-TV: "Jim is the only man I know who needs a blueprint to make a mess."

QUOTES

UNITED NATIONS, N. Y.—Secretary General Dag Hammarskjöld, in appealing to the big powers not to miss the bus in trying to get disarmament talks under way:

"We should not be too sure that the road will remain open for buses in all the future."

Finchy Sixth Grade to Hold Exercises June 4

Forty-nine youngsters will "graduate" to junior high school in promotional exercises at Katherine Finchy School Wednesday morning.

The school's annual promotional program for six graders ready to move on to junior high gets under way at 10 a.m., under the direction of Principal Chester Sproule.

THE PROGRAM includes songs by the sixth grade class, presentation of Lions Club Awards and instrumental music and solos by school students.

Herbert Samson will present the Lions Club award and Susan Stovall will deliver the welcoming address.

SOLOISTS INCLUDE Jacqueline Tomke and Noele Hendrickson, piano; Larry Nichols, clarinet; Jeff Patzner, trumpet, and Michael Linville, violin.

Miss Angela Brennan is director of class songs, Richard Dahlgren is director of instrumental music and class teachers are Miss Brennan and Don Grimmer.

Shelby Langford To Be Speaker

Shelby Langford, Palm Springs Director of Finance, will leave Palm Springs next week to attend the meeting of the Municipal Finance Officers Association of the United States and Canada, in Milwaukee, Wis.

The meeting, which will be held from June 7 to 11, will have Langford as one of its principal speakers. His talk will be entitled "Municipal Finance Officer as a Profession."

Legion to Hold Regular Meeting

Owen Coffman Post 519, American Legion, will hold its regular meeting at 8 p.m., tonight, Tuesday, at the American Legion hall. Commander Al Patane urged all members to be present.

NEW 1958

Norelco Speedshaver

For the first time electric shaving achieves razor-blade closeness with the comfort of rotary blades!

- NEW SKIN-STRETCHER RIM stands whiskers erect for below-skin-level shaves.
- WORLD-FAMOUS ROTARY BLADES stroke off whiskers.
- NEW HIGH-SPEED, cool-running motor, lubricated for life.
- NEW "FLIP-TOP" CLEANING. Push button, top springs open. Empty out whiskers, then blow.

World's largest-selling electric shaver Only \$24.95 AC/DC With Travel Case

Tonight! Watch Jack Paar demonstrate the New Norelco Speedshaver. Also advertised in Life, Look, Time and the Saturday Evening Post.

W. E. OSBORNE, president and director of engineering of the 21st Century Electronics Plant—a new development on the desert—discusses plans for the research and development of a Navy project with Claude Allen, vice president. (Gayle Studio Photo).

New Research Plant Opened In Palm Springs

A new \$100,000 research and development plant, The 21st Century Electronics, Inc., has opened its doors in Palm Springs.

The operating management and technical staff is headed by William E. Osborne, president and director of engineering, who has been an electronics scientist for 32 years.

HOLDER OF 14 patents covering television, radar (GCA), computers and infrared devices, Osborne is a graduate of Rugby School, England, and Melbourne University, Australia.

A missile tracking system, now in use by the Armed Services, as well as an infrared diagnostic unit in service at Walter Reed Hospital, are designs of Osborne's. A number of his papers on electronics and nuclear subjects have been published in technical magazines.

VICE PRESIDENT and General Manager Claude Allen has served for many years in California as a contract administrator and engineering business consultant and was previously with Bethlehem Steel and the Radio Corporation of America.

The plant, located at 4900 East Sunny Dunes Road, has a floor area of 12,000 square feet plus a wide range of test equipment that will be used in advanced electronics and in infrared research and development.

A CONTRACT HAS been signed with the Navy for the development and building of eight portable X-ray units which will be employed by the Navy to detect flaws in the steel used in construction of naval ships, principally submarines.

Although this undertaking is restricted to the plant, which will employ approximately 60 people,

according to Osborne, will be involved with projects of a secret nature for the Navy.

Osborne intends to make Palm Springs his home and will move his family from Reno, Nev., where the company has another plant.

Underwater Phase of 1958 Nuclear Tests At Eniwetok Believed Completed Today

HONOLULU (UPI)—There were indications today that the underwater phase of the 1958 nuclear tests at Eniwetok has been completed with three detonations—and a lull in activity at the Marshall Island testing grounds was anticipated.

It was also apparent that the Atomic Energy Commission in Washington had taken steps to dry up unofficial sources of fairly accurate information concerning the tests which had been available for several weeks in Hawaii.

INFORMATION available indicated the last underwater shot—dubbed Operation Sycamore—was fired Friday morning.

It was probably the test witnessed by a group of 12 military leaders from North Atlantic Treaty Organization nations which returned to Hawaii late Saturday and departed for Washington Sunday morning.

ONE OTHER SHOT was fired and confirmed by the AEC on May 25. Another was detonated on Tuesday or Wednesday, it was believed. However, neither that shot nor the Friday blast was confirmed by the super-sensitive AEC in Washington.

This was despite the fact that sailors and airmen of all nations whose ships and aircraft traverse the Pacific were given ample and fairly detailed warnings before each expected blast.

HOWEVER, THE AEC has apparently sent word to Eniwetok to be less informative in pre-blast warnings sent from there to unclassified addresses.

All that probably can be expected now is word when the test

area might be considered especially dangerous to approach, eliminating such information as exact hours of expected operations, code names of projects, and other non-essential information for those being warned away.

new blue Chevron Supreme is the big step ahead in gasoline

NASCAR
Certificate of Gasoline Performance

NASCAR-certified laboratory tests, proved on the road, show that new blue CHEVRON SUPREME is unsurpassed in the combination of performance qualities needed by today's cars for every kind of driving:

1. **BLUE AVIATION ANTI-KNOCK FLUID** vaporizes deposits that cause engine "ping" and reduce power. Valve and ring life are lengthened up to 40%.
2. **HIGH-OCTANE AIRCRAFT FUEL ELEMENTS** meet the octane needs of today's high-compression engines for full power, quick acceleration, safe passing, smooth cruising over varied terrain.
3. **DETERGENT-ACTION COMPOUND** cleans carburetors during engine operation to increase gas mileage and end stalling in stop-and-go driving.
4. **CONTROLLED BLENDING OF GASOLINE COMPONENTS** provides quick starting and warm-up under the most critical conditions.
5. **CLIMATE TAILORING**—to match seasonal changes by areas—insures that this gasoline meets performance specifications and provides vapor-lock protection throughout the West.

CARS AND ENGINES USED in the NASCAR-Sanctioned tests were representative of 1958 and other late model engine types and compression ratios. Certified on April 17, 1958.

THE NATIONAL ASSOCIATION FOR STOCK CAR ADVANCEMENT AND RESEARCH

William H. France
President
Robert Barkliver
Western Regional Director

WE ASKED NASCAR... the world's largest stock car testing authority, to check new blue Chevron Supreme against all other major Western premium gasolines.

THEIR ANSWER... certified laboratory tests, proved on the road, show that new blue Chevron Supreme is **UNSURPASSED** in the combination of performance qualities needed by today's cars for every kind of driving. Take the big step ahead in your car. At the new blue pump.

RECENT BRIDEGROOM Al Stutz, guest of honor at a Do'l House stag party, pours wine for, left to right, George Beebe Jr., Bill Foster, John Tosti, Ted McKinney, Dr. Chet Baldwin and Maurice Smith. (Desert Sun Photo).

THE MASONIC STEAK FRY Friday night drew an estimated crowd of 250 Masons and their families and friends. Willard McKinney, left, hands a steak to Ted Carl, while Mrs. Ethel Fruitman waits her turn as second in line, and others push up for sizzling sirloins.

Name Chairmen Jaycee-Ette Committees

Jaycee-Ettes held their regular monthly meeting Wednesday night at the home of Chris Ranes at 682 Bedford. Barbara Mutascio, recently installed president, introduced the following chairmen: Roz Bronstein, convention; Norma Smith, social; and Pat Wahlberg, publicity.

Norma Huffman, Lois Schlect, Betty Bergeron, Barbara Jille, Mary Raphael, Roz Bronstein, Lynn Wexler and Norma Smith volunteered to act as a committee to prepare sandwiches for the Junior Chamber Scotch Four-some Golf Tournament that will be held June 8th at O'Donnell. The tournament will be followed by a family picnic in Tamarisk Park.

Plans were started for a weiner roast to be held on June 14. Chairman Barbara Foster has on her committee: Elaine Land, Helen Chapman, Betty Bergeron and Pat Wahlberg.

New member Barbara Dille was introduced and Barbara Smith was a guest for the evening.

Refreshments of angel food strawberry shortcake with iced tea was served by Chris Ranes, Barbara Mutascio, Lois Schlect and Roz Bronstein.

Easy Recipe For Marmalade

Fresh strawberry time is California jamalade time. Combine 4 cups fresh berries, 2 large oranges and 2 large lemons, quartered and pitted. Cover and let stand 12 hours.

Drain, reserving juice. Chop fruit, add juice, heat to the boiling point and boil 1 hour. Add sugar, reheat to boil and cook 6 minutes, stirring occasionally. Remove from heat, stir and skim for 5 minutes.

Pour into 6 clean, hot sterilized jars, and seal with paraffin.

Archers to Meet Tomorrow Night

Palm Springs Archers, newly-formed archery group, will hold a meeting in the clubhouse at the Polo Grounds tomorrow night at 8 o'clock, president Howard Poe announced today.

The Archers will hold a shoot at the Roy Hoff Roving Range, next Sunday at 7:30 a.m.

ARRIVING IN HONOLULU aboard the SS Leilani were Mr. and Mrs. Milner J. Anderson of Oak-land and Palm Springs. The Andersons will spend a month at the Hawaiian Village Hotel. (SS Leilani Photo).

Tangy Mustard For Slaw Treat

For a tangy coleslaw dressing, combine mayonnaise with a special mustard paste.

Mix 1/2 cup each of sugar and vinegar, and boil 1 minute. Cool slightly and stir in paste made of 1 teaspoon each of dry mustard and water. Cool, and combine 1-3 cup mustard blend with 2-3 cup mayonnaise.

Soak 2 tablespoons each of sweet pepper and onion flakes in cold water to cover. Drain, toss with 4 cups of shredded cabbage, add mustard dressing, toss again. Serves 8.

Amador Back At Padua Hills In 'Rancho Viejo'

Casilda Amador returns to the stage at Padua Hills Theatre to share the romantic lead in "Rancho Viejo" opening on June 4 for a run of six weeks.

The vivacious Mexican dancer has been absent from the stage for over a year. She will share the romantic lead with Armando Felix in the story of Spanish California.

Written by Eligio Herrera, stage director at Padua, the play features many colorful dances of early California including a ritual dance of the Canallino Tribe.

Alicia Narvaez and Ausencio Gutierrez are also featured with The Mexican Players while Manuel Gonzales will present songs in his distinctive style that has won him many plaudits by theatre-goers.

"En el Mes de Mayo" will conclude its run on May 31. The annual Spring play of San Ysidro is in its 25th year at Padua Hills Theatre.

Preparations are also underway for the Jamaica Fiesta to be held after each performance of "Rancho Viejo" and throughout the summer under the beautiful olive trees.

"Rancho Viejo" will be presented Wednesday through Saturday at 8:30 p. m. with matinees at 2:30 each Wednesday and Saturday.

Also the Amos J. Odells and Mr. and Mrs. L. C. Lewis (Lewis and Odell are members of Shadow Mountain Club board of directors). Mr. and Mrs. Jerry Malone, and Cliff Henderson and June Lang who were among the guests at the Bowers party earlier in the evening.

Banning O.E.S. Plans Reception

San Geronio Chapter, Order of Eastern Star, Banning, will be the host at a reception Saturday evening, June 7th, honoring Deputy Grand Matron Esther Jarrett. All Eastern Star Members are cordially invited to attend. The 89th District includes the Chapters from Palm Springs, Coachella, Twenty-nine Palms, Yucaipa and Banning.

Camp Fire Program Loses Leader

Mrs. Frank Hendrickson, chairman of the Palm Springs Camp Fire Leaders Association, resigned this week and turned her duties over to Mrs. Raymond Baddour of 333 Stevens Road, the vice chairman. It was with much regret she left the organization after five years of service, and starting the original program in Palm Springs. Her group the LUTON-DA Camp Fire Girls, the leaders, sponsors, and girls were awarded the Golden Jubilee Charm for organizing two new groups in Palm Springs, at the Grand Council Fire.

With more adults now interested in the Camp Fire Program, there is need for a better Leaders Association. Mrs. Hendrickson said. It has been proposed to form a Palm Springs Camp Fire Girls Council with 20 adults not working with girl members directly. However, it is Mrs. Hendrickson's opinion that this time with a girl membership of less than fifty, it appears best to work a program with the Leaders Association. When the membership reaches ten groups or more than a hundred girl members, the council could be formed and provide work and interest, to the twenty adult members, she said. This is true in other areas where they have from 500 to 1000 girl members before forming a council.

The Camp Fire program has much to offer the girl. Persons interested in assisting the Camp Fire programs please call Mrs. Raymond Baddour at FA 4-9627.

Farewell Party For Mrs. Mitchell

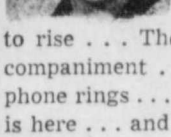

Mrs. H. H. King of 1372 North Riverside Drive, assisted by Mrs. Russell Hills, gave a surprise farewell luncheon for Mrs. Ned Mitchell who is leaving for Carson City, Nevada.

Those enjoying the luncheon were Mes. Bob Beck, Milford Beebe, Cliff Campbell, Claire Balagh, William Ekins, Frank Hendrickson.

Color tinges the western sky at sunset... and sun washes the morning world... Flowers are at their beautiful best... and a big pale gold disk of a moon climbs the branches of the tallest trees as cool night breezes fan away the daytime heat... The sun-warmed pool is just right for swimming... and the wind feels chill as the sun sets back of the mountains... Life in the Village moves at a slowed down tempo... and it's earlier to bed and earlier to rise... The whirl of coolers is a background accompaniment... and when the doorbell or the telephone rings... it is usually an intimate friend... June is here... and we're living in June-time...

Mary Hurrell, home again after four strenuous months travel... is lazing around her pool and enjoying Palm Springs... She's off again this weekend for Emerald Bay... and heads for Canada in about three weeks to visit her son and his family... and old friends in Vancouver...

Maggie and Co Thornton and the A. R. Simons will be covering much the same route that Mary did... when they leave here towards the end of this month for an around the world tour...

They'll visit Japan, Hong Kong, Bangkok, Africa and South America... returning home the first part of October... Cy and Buddy go east next Monday to attend the Richard Gould wedding in Detroit... and will be away a week or 10 days...

recently returned from an around the world tour that has kept them away from home since December...

Elaine Childs Elser of Tamarisk Road flies east on June 10 to visit her son, Col. Fred Elser and his family for a couple of months... Her granddaughter Margaret Arthur who is graduating from UCLA, will go with her...

Dora Clark (Nellis Hunt's attractive mother) who shared Mrs. Elser's menage this winter... left Monday for Seal Beach and will spend most of the summer there at the home of another daughter, Doris Showalter...

Sandra Tevis, daughter of the Bill Tevises, was among the American debutantes receiving invitations to appear at the Versailles Debutante Ball to be held in the Orangerie, Palace of Versailles in Versailles, France, on July 12... This is the same Ball at which Mrs. Paul William Lawrence will be a Patroness...

Next Monday the Student Ambassadors will be flying out of International Airport headed for Washington, D. C... and a week in our nation's capitol... and there are some pretty excited boys and girls... There are also some pretty disappointed ones... as despite their most intensive efforts... and they really tried... they did not raise enough money to send 15 students as they had hoped...

Actually only about seven will make the trip... and some of these are paying their own way... Plane fare round trip is \$229... if some one would like to underwrite another student ambassador...

Georges Stoicesco, a frequent visitor here at the Chateau V... hosted a champagne cocktail supper at the Donald Manchesters' new restaurant Villa Venice in Studio City... celebrating his 76th birthday.

Vidella Viglini went in town to attend... and other guests included Mary Pickford and Buddy Rogers, Nina Anderton, the Lynn Spencers (Cholly Angeleno)... Letitia Fairbanks, Bob Meyer, Carmen Considine, Enoch Ravelo, Yvette Cronjager, the Ted Factors, Mrs. A. McCall... Olga Paine, the Italian Consul General and Mrs. Tedeschi, Lady Lawford, the Douglas Parmentiers, and others...

Sorry I couldn't make it... and Happy Birthday, Stole...

Blanche and Joe Hale will host a few friends at cocktails and dinner at their Thunderbird home Saturday night... honoring Col. and Mrs. Edward Banning who

Randolphs Off On Vacation

Mr. and Mrs. Roy Randolph left Sunday to attend the graduation exercises of her son, Michael Hawley who attends Shattuck Military School in Faribault, Minnesota.

Following graduation, they will all travel to Dallas and San Antonio to visit friends and relatives before going to Cuernavaca, Mexico, where they will headquarter for the summer. Several side trips are planned by the trio in Mexico, including Acapulco. The Randolphs will return to Palm Springs sometime in September.

Finchy P-T Group Has Election

At the final meeting for the year held by the Katherine Finchy Parent-Teachers Group Wednesday at the school, Wayland Reynolds, vice principal of the High school, gave a talk on Water safety and a demonstration of the new technique of artificial respiration. Howard Haddock spoke on "Recreational Facilities in the Village for the Summer."

New officers elected for the coming year are: president, Frances Blondon; 1st vice president, Carolyn Morris; 2nd vice president, (committee of three) Margaret Jones, Ruth Samson, and Margaret Taylor; 3rd vice president, Genevieve McMichael; recording secretary, Pat Wahlberg; corresponding secretary, Lillian Hart; treasurer, Hilda Fredrickson; chairmen for the year will be: civic, Mary Bunker; room mothers, Elsie Judd; publicity, Mildred Ostad; ways and means, Betty Muhleck; hospitality, Betty Deal; lower grade teacher representative Mrs. William Arnold; upper grade teacher representative, Ralph Thomas.

Variation for Classic Sauce

Try a variation on the classic hollandaise sauce with cooked asparagus, broccoli, cabbage or baked fish.

Tomato hollandaise is made by combining 2 egg yolks with 1 tablespoon tomato paste, 1 tablespoon tarragon vinegar, 1-16 teaspoon ground black pepper and a dash of cayenne pepper in the top of a double boiler.

Cook over hot water until thickened, stirring constantly. Gradually beat in 4 cup butter or margarine, 1 tablespoon at a time. Beat until thickened. Makes 1/2 cup.

Chipped Beef On Muffins

Dress up chipped beef with a few tablespoons of sherry stirred into the cream sauce. Sprinkle slivered almonds over the top and serve on toasted, split English muffins.

MEMORIAL DAY CEREMONIES arranged by the Owen Coffman American Legion Post drew scores of Villagers to Welwood Murray Cemetery Friday as the city honored its war dead. The impressive memorial program concluded as representatives of veterans organizations and service clubs placed floral wreaths at the monument placed in memory of Villagers who gave

their lives in war. Louis Hilton, left photo, placed a floral cross at the monument for the Veterans of Foreign Wars, while Mrs. Lucy Wohlgenuth, escorted by two Palm Springs Boy Scouts, of the American Legion Auxiliary, placed the first wreath for the Gold Star Mothers. After a firing squad com-

posed of Legion and V.F.W. members triggered the traditional salute, Duke Patane, right photo, of Scout Troop 81, sounded "Taps." Standing by are, left to right, Jim Maidhoff, of Scout Troop 77, Sandra Dunphy, of Girl Scout Troop 2, and Clark Moorten, Explorer Troop 39. (Desert Sun Photo).

Hotel Requests Beer, Wine Variance, Hearing to Be Held

Application for a beer and wine sales permit for a Palm Springs hotel comes up for public hearing before the City Variance

Board at 2 p.m. Friday. Board members will consider the request of the Crest View Hotel for a permit to sell beer and wine to hotel guests.

Scout District To Meet June 4

Palm Springs District, Boy Scouts of America, will hold its June meeting Wednesday at 7:30 p.m., in the Troop 39 Scout building on Sunny Dunes.

The application requests a variance from an ordinance stipulating that alcoholic beverages may not be sold on a site less than 40,000 square feet. The hotel covers approximately 32,000 square feet.

Associated Dry Goods Sales Hit New Peak

Net sales of Associated Dry Goods Corporation, which includes Robinson's, for the quarter ended May 3, increased to \$55,463,000 to set a new peak for the period. This compares with net sales of \$51,222,000 reported for the quarter ended May 4, 1957. Robert J. McKim, president, announced today.

Net sales for the 12 months ended May 3 also set a new peak, amounting to \$241,234,000, compared with \$225,816,000 in the same period of the previous year.

For the three months ended May 3, the initial quarter of the fiscal year, estimated net earnings were \$800,000, equal after provision of \$600,000 for Federal income taxes, to 37 cents a common share. This compares with estimated net earnings of \$1,050,000 or 56 cents a common share after provision of \$1,150,000 for Federal income taxes in the comparable period of the previous fiscal year.

LEONARD T. CARNEY

Carney Named President of 'Mother Church'

Leonard T. Carney of Boston, Mass., was today named president of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Carney's appointment was announced by The Christian Science board of directors at the annual meeting of the denomination attended by more than 7,000 Christian Scientists from many parts of the world. He succeeds Miss Mabel Ellen Lucas of Brookline, Mass. He will serve a one-year term.

A member of the Board of Trustees of The Christian Science Publishing Society, Carney holds degrees from Grinnell College, Ia., and the Harvard Law School.

A native of Marshalltown, Ia., he has been an authorized teacher of Christian Science since 1934, and a Christian Science practitioner since 1919. From 1943 until 1947 he served as a member of the Christian Science Board of Lectureship.

Cathedral City Permit Value Hits \$229,864

CATHEDRAL CITY — Building permits issued for 20 East Ramon Road area homes, at Country Club Estates, brought Cathedral City area new construction to a high of \$229,864 during the past week.

Permits for the week were issued by the County Building Department office at Palm Desert to:

Palm Springs Homes, Inc., 30-673 San Antonio Drive and San Luis Rey, 15 dwellings at \$11,632 each and five dwellings at \$9,520 each; Al Patane, Terrace Road, bath, \$120; Tamarisk Country Club, Thompson Road and Avenue 38, street light, \$280, and Halper Lake Drive and Avenue 38, street light, \$280.

V. Kemp, 68-607 Iroquois, add bedroom, \$5,888; G. Ledford, 36-777 El Dorado Boulevard, enclosure patio, \$400; Carroll Waller, 68-591 II Street, add carport, \$816.

Lions to Observe Past President's Day Thursday

Past presidents will be in charge of the program at the Thursday luncheon meeting of the Palm Springs Lions Club at Chi Chi, with the group to discuss the concepts of Lionism.

All members who have birthdays during the month of June also will be honored.

President Charles O. McDonald will preside.

New Custodian

PLYMOUTH, Vt. — (UP) — Joseph M. McInerney, one of three men living who was present when Calvin Coolidge took the oath of office as President, has been appointed custodian of the presidential homestead.

Color Scheme

HAMDEN, Conn. — (UP) — The town's new police cruisers are colored turquoise and gold. Police Chief Frank Cataneo said, "We got tired of black cars."

MULTIPLE LISTING IS FOR CO-OPERATIVE SELLING OF REAL ESTATE

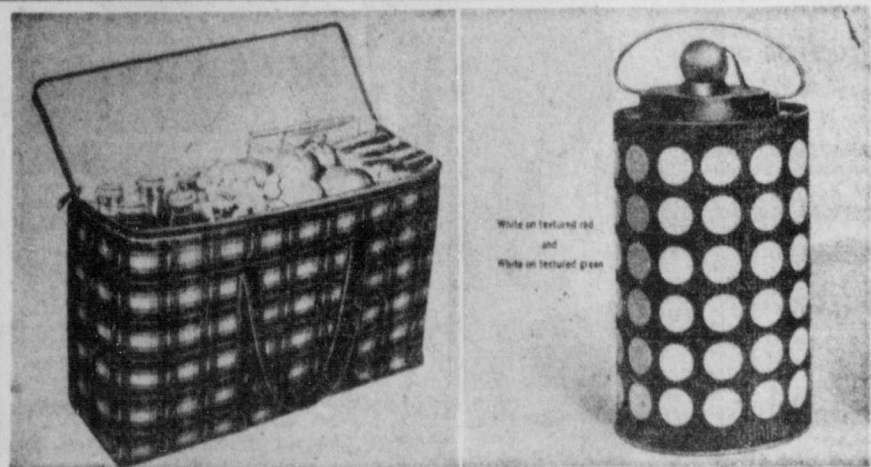

The Multiple Listing Caravan is becoming a familiar sight. Thirty or more real estate salesmen take the weekly tour to inspect properties just listed in Multiple. They estimate the value of the properties visited. The average is compared with the asking price. Thus, the broker with whom you listed your property has a measure of its market value. If you are curious about your property, call him.

Call any broker listed below if you want your property on the Caravan.

DRAMATIC EDEL styling is here to stay

—it's the big change that next year's cars will copy

In years of automobile styling, the only fresh note is the Edsel! And it's an open secret in Detroit that Edsel will be copied next year. So Edsel is naturally worth more now—and in the years to come. And look at all the other advances Edsel offers—

• New exclusive Teletouch Drive with shift buttons on the steering-wheel hub • New high-economy 303 and 345 V-8 engines • New self-adjusting brakes • New "twist-of-the-wrist" Dial-temp heater control • New comfort-shaped contour seats.

See your Edsel Dealer today!

EDEL DIVISION • FORD MOTOR COMPANY

LESS THAN FIFTY DOLLARS

DIFFERENCE BETWEEN EDEL AND V-8'S IN THE LOW-PRICED THREE!

Used Car Buyers! See our outstanding selection of reconditioned late-model Green Light Used Cars!

TODAY'S SPORT PARADE

By OSCAR FRALEY, United Press International

NEW YORK (UPI) — Joe DiMaggio, who made a career of giving palpitation to pitchers, was explaining why the men of the mound can't live by speed alone.

"They have to possess more than mere speed," he asserted. "A pitcher has to have other pitches to go with it so that he can mix 'em up and shake your timing."

DiMaggio leaned back and concluded:

"THEY COULD shoot it out of a cannon, but if that was all a pitcher had, they'd hit him."

Which, for years, summed up the hurling career of Robert Lee Turley, a muscular, chubby-faced power thrower who labors in the thin-striped flannels of the New York Yankees. The 6-foot-2 right-hander threw a ball which was clocked electronically at 95 miles per hour, an ability which had the baseball boswells mentioning him with such blazars as Walter Johnson and Bullet Bob Feller.

BUT BOB TURLEY couldn't win consistently.

It is a different Turley this season.

For when he beat the Boston Red Sox Sunday it was his eighth victory of the season against one defeat. And, except for that one loss, he has been brilliant.

Four of his triumphs have been shutouts. He has gone nine innings in each of his eight victories. At one point he went 26 innings without giving up a run. He has hurled a one hit game, three games in which he gave up only four hits and a pair of five-hitters.

AS OF TODAY, in 76 innings Turley has allowed but 44 hits, 16 earned runs and given up only 36 bases on balls against 33 strikeouts.

The answer is in DiMaggio's reckoning.

Turley realized at last that he couldn't just rear back and fire that blazing fast ball past the hitters. In taking stock of himself, he shortened his stride, adopted Don Larsen's no-windup delivery

and relaxed before each pitch by taking a deep breath.

HE FOUND THAT all the parts suddenly fitted together. No longer straining to throw the ball through the wall, he came up with the long-desired control of his curve and slider. The batters who waited longingly for that booming fast one weren't getting it.

"The most complete answer is that I found the confidence to use those slower pitches in the clutch instead of rearing back and trying to throw it past them," he says. "The hitters can't expect that fast ball every time I get in a jam."

As DiMaggio said, you have to have more than a fast ball. Turley has, and that's his answer.

Elks Even Play With 11-4 Win Over Engineers

Palm Springs Elks evened up their Colt League Baseball season this week by tromping the Acme Engineers of Colton, 11-4.

The Colt League opener produced a parade of heavy hitters as the Elks rolled up 10 hits against the Engineers' five, but Engineer pitcher Tom Johnson held the mound for the entire game.

ELKS LODGE baseballers used up two pitching arms as they rode to a neat win behind the productive slugging of batsman Dag-burto Durand.

Durand poled one home run, rapped out a triple and tallied a double, while Leroy Segundo notched two doubles and a single and Joe Lewis belted a paydirt triple.

Elks moundsmen were Ronald Bailey and Leroy Segundo, backed by Joe Lewis behind the plate. Bob Ford was backstop for the Engineers.

R. H. E.
P.S. Elks 11 10 2
Acme Engineers 4 5 3

Lynch Credits Bride for Win, Not Whizz-Bombs

NEW YORK (UPI) — Eddie Lynch, classy young New York welterweight, explained today it was his bride and not whizz-bombs that inspired his upset victory over Jimmy Archer at St. Nicholas Arena Monday night.

Archer, also of New York and weighing 150 pounds to Eddie's 148½, was favored at 3-1 because of his punch.

Lynch's wife, Genevieve, sat at the ringside as Jimmy beat Archer with in-and-out and side-to-side tactics for a lopsided 10-round decision: 6-3-1, 9-1, 8-2.

Meanwhile, enthusiastic followers of truck driver Lynch exploded whizz-bombs at the ringside and blew loudly on horns.

"But it wasn't the noise that made me fight my best fight," said Lynch. "It was Genevieve sitting there."

Jr. Police Take Over LL Lead

Win 19-4 As Stars Lose 3-2

LITTLE LEAGUE

Junior Police	W. L. T.
Cameron Stars	4 1 1
Hathaway-Buick	3 2 1
Boys Club	3 3 0
	1 5 6

SCORES MONDAY

Hathaway-Buick 3, Cameron Stars 2.
Junior Police 19, Boys Club 4.

The Junior Police moved into first place in the Palm Springs Little League by trimming the Boys Club by a score of 19-4 in the second half of a doubleheader at the Polo Grounds.

The Olivera brothers, Jerry and Tommy, each powered home runs to spark the Junior Police to its new standing as manager Gene Holmes Pablo put Jerry Olivera on the mound to pitch a 6-hit game.

R. H. E.
Junior Police 143 227-19 17 2
Boys Club 013 000-4 7 5

In the first game the Hathaway-Buick Braves had a big fourth inning and managed to hold off a late rally by the Cameron Stars. Jim Hopp's three-run triple was the highlight of the inning.

Observers agreed that the game was the finest defensively played by the Little League this season, and it was played in just a little over an hour.

Dennis Waterwood homered for the Stars and pitched fine ball excepting the fourth inning when the Braves started their hitting spree.

R. H. E.
Hathaway-Buick 000 303-3 3 0
Cameron Stars 001 001-2 6 1

Yankees Make Runaway of AL Race, Drop Sox

By MILTON RICHMAN

United Press International

Look ma, no race!

Blame it all on those one-track minded New York Yankees, who have gotten off to such a sizzling start that they conceivably could win the pennant even if they lose half their remaining games.

THE HIGH-RIDING Yankees, who knocked off the Chicago White Sox, 3-0, Monday night to stretch their lead to seven full games, have 116 games remaining. If they win only half of them, 58, they will wind up with a total of 86 victories — and American League pennants have been won with less.

At the rate they're going, the Yanks are a good bet to break the league record of 111 victories set by the pennant-winning Indians in 1944. And the Yankee pitchers are doing it the easy way.

WASHINGTON DUMPED Baltimore a bit deeper into the cellar by beating the Orioles, 2-1, on little Albie Pearson's single with two out in the 10th inning.

In the only National League game, Cincinnati climbed into fourth place with an 8-2 win over Pittsburgh that was practically a one-man job by southpaw Joe Nuxhall.

SPORTS in the SUN

WINNERS AT THE DESERT Sun Tennis Clinic are congratulated by Dave Gillam on the final day of play at Tamarisk park. Freddy Rubin, at Gillam's left, was winner of the play, and Martha Mason and Terry Nunan were awarded prizes for the best sportsmanship and attendance during the

Very Successful Tennis Clinic Ends, Rubin Winner

A very successful Desert Sun sponsored Tennis Clinic came to a close Saturday at Tamarisk Park, with prizes awarded and a box lunch served to the more than 40 in attendance.

Fred Rubin was judged the winner under a point system play, and also won the tournament play by defeating Jeff Isenagel, 3-2. Rubin compiled 50 points, and Isenagel 43.

TWO OTHER MAJOR awards were given for good sportsmanship, neatness and improvement.

O'Brien Scores Another Win In Shot-Put

Olympic shot-put champion Parry O'Brien returned to Palm Springs this week after scoring another track meet victory.

O'Brien, assistant manager at City National Bank here, won the shot-put division of the California relays staged at Modesto Saturday.

Competing against three other top shot hurlers, O'Brien came within an inch of his world record with a heave of 63 feet, one inch.

Ironically, the husky Villager topped his record mark by two inches in a pre-score practice toss of 63 feet, four inches.

Six Rivals Set For Tim Tam In Bid for Triple

NEW YORK (UPI) — Calumet Farm's Tim Tam, winner of the Kentucky Derby and Preakness, may have as many as six rivals in Saturday's Belmont Stakes, the third jewel in racing's Triple Crown classics.

As things stood today there was a strong possibility that Joseph O'Connell's Cavan, C. V. Whitney's Flamingo, the Wheatley Stable's Nasco, Mr. and Mrs. George Lewis' Martins Rullah, Mrs. Anna Cannull's Chance It Tony and Cain Hoy Stable's Victory Morn would be entered for the mile and one-half Belmont when the entry box closes on Friday.

Ripley Keeps Tennis Title At Riverside

Joins With Richard Reakes In Doubles Win

Palm Springs High School student Frank Ripley carried a brace of new trophies back to Palm Springs this week after scoring a double victory on Riverside City College tennis courts Sunday.

Ripley, repeatedly exercising a powerful serve, retained possession of the Bob Vanderzyl tennis championship trophy by drubbing Riverside Poly star Gary Webb, 6-1, 6-1 in the seventh annual trophy tournament.

Ripley also teamed up with Villager Richard Reakes to capture the doubles trophy by scoring 6-4, 6-3 over Bob Vieten and Jim Hogan, of Riverside Poly.

Webb's defeat was his second at the nimble hands of Ripley, who also downed the Poly champ in last year's tournament finals.

Holland Starts Playing for 'Keeps' Today

ST. ANDREWS, Scotland (UPI) — Tim Holland of Rockville Centre, N.Y., the pre-tournament sensation, started "playing for keeps" today in the British Amateur golf championship.

The lanky 27-year-old sales manager, who drew a first round bye, led nine other American survivors into second round action on the "old course," which already has claimed one-third of the U.S. contingent.

Gene Andrews, of Pacific Palisades, Calif., the first American to tee off Monday, retained that honor again today. He and Reg Taylor of South Africa started their second round battle.

Andrews scored the most impressive triumph among the U. S. invaders in the opening round by whipping Dr. James Hastings of Scotland, 8 and 7.

Bob Waterfield Returns as Coach

LOS ANGELES (UPI) — Bob Waterfield has returned to the gridiron and the Los Angeles Rams, this time as an assistant coach assigned to development of quarterback candidates.

HORSEMEN
EXCEL

Palm Desert

By GRETCHEN CHEESEMAN

Mr. and Mrs. John Moran hosted a cocktail and buffet supper party in their home on Fiddleneck Lane in honor of Mr. and Mrs. Walter E. Allen of Oklahoma City, who have become desert residents. Cocktails were served in the house and late supper was served at small tables on the terrace and around the pool.

Mr. and Mrs. G. M. Kincaide, Jr., left the desert Saturday to motor north to Chico, to see their daughter and family before taking off for a summer European jaunt.

The main clubhouse of Shadow Mountain Club closed Monday and will remain closed all summer. All facilities will re-open Oct. 1. There still will be swimming, tennis, golf, lawn-movies and barbecue parties through the summer months, from 12 noon to 9 p. m. The first barbecue party will be Saturday night, June 6.

Mr. and Mrs. Floyd Mitchell are leaving very soon for their annual summer vacation in the Berquist Summer Apartments on the Hood Canal in Washington. Several Palm Desert families convene in this same spot.

Mrs. Tom Brown entertained some 57 friends with a luncheon at Shadow Mountain Club, followed by bridge and shanghai. Mrs. Carl Henderson, Mrs. Harlan Willite and Mrs. Adrian Schwilck assisted Mrs. Brown in receiving her guests.

The group included Dr. Minnie Burden, Mesdames W. R. Andrews, Sam Arscott, P. Martin Baker, Wilber Bear, Fred Blades, Robert Brooks, Ralph Caplinger, Cliff Carling, H. C. Carpenter, F. S. Chambers, Stanley Chambers, Henry Cheeseman, Duncan Crux, Harold Dahlberg, Ken Eckert, John Fitzgerald, Clarence Goodwin, Murray Grayson, Ralph Hale, Randall Henderson, Jessie Hewes, J. B. Hughes, Donald Hunter, Boynton Jones, Ray Jones, L. H.

The vast area of Texas would accommodate nearly 250 Rhode Islands.

Keightley, C. M. Kincaide, Jr., A. N. Merryman, John Moran, Robert Morrey, Kay Olesen, Kitty Pritzlaff, James O'Reilly, R. T. Pierson, E. C. Ruge, P. W. Seals, Herbert Shaw, J. B. Schutz, Harold Smith, Dudley Steele, Evelyn Sahland, Paul Stillman, L. W. Thomson, George Townsend, E. T. Voner, Mon Wallgren, Charles Yates, Edna Value and Margaret Ward.

Mrs. Edgar Brown of Westwood and her daughter, Barbara Brown of San Francisco, spent the Decoration Day weekend in the Sun Lodge Colony.

Mr. and Mrs. Ben Constantino are spending a 15-day vacation in Mira Loma, where Ben will be doing his military duties with the Air Force Reserve.

Building Value In Palm Desert Hits \$280,640

PALM DESERT — Construction of a \$243,200 apartment project skyrocketed Palm Desert area new building evaluation to \$280,640 for the past week, the County Building Department office here reported.

Building permits for the week were issued to: Western Land and Capital Company, El Paseo and Highway 74, eight triplex units at \$30,400 each; Marie Beckman, Mountain View Drive, guest house, \$3,240; Tony Burke, 73-408 Little Bend Trail, \$320.

J. M. Wenck, 74-622 Yucca Tree, dwelling, \$14,520; J. H. Griffith, Section 30, dwelling, \$7,840; Linnea Andreas, Section 30, dwelling, \$3,840; Hugo Ekland, Section 4, dwelling, \$3,840; Eva Biege, Section 30, dwelling, \$3,840.

CRISS-CROSS

RULES: Using the following 16 letters in the blank squares below how many words can you form either vertically or horizontally? Use same word only once and no plurals please. When words contain less than 5 letters and are in same line—i. e., "TOICE" scoring is 1 pt. for word "TO" and 3 pts. for word "ICE." MAXIMUM NUMBER OF POINTS PER LINE IS FIVE. To assist you, we have inserted a few clues, which include additional letters.

NEWLY ELECTED OFFICERS and directors of the Palm Desert Chamber of Commerce are shown at their first meeting, left to right, seated, Manager Lou Kuehner; Jeannette Constantino, President Phil Franklin, Jim Griffin and John Outcault; standing, Hal Kapp, Jimmy Hines, John Noyes, Stew Trumble, Don Hamilton and Robert Phillips. Absent were Willard Parker and Ralph Hale.

No Bargain

NEW BRITAIN, Conn. — (UP) — Civil defense officials thought they had a bargain when they bought a surplus power shovel for \$190. Then they found the necessary attachments cost \$3,800.

A Mother's Plea

MONROE, Conn. — (UP) — While her 19-year-old son was being tried for speeding, Mrs. Allen N. Jones stood up in court and asked the judge to be "more severe with young drivers."

Mud Vacation

JERICHO, Vt. — (UP) — The Jericho Center School was closed for one week because mud on the back roads leading to the school made it impossible for pupils to attend classes.

Widest Bridge

PROVIDENCE, R.I. — (UP) — The Crawford Street Bridge here is the world's widest bridge. Composed of six units, its total width is 1,147 feet. Two U.S. highways traverse it.

Carroll Named Grand Knight of KofC

INDIO — John A. Carroll was elected grand knight of the Knights of Columbus, Indio Council No. 3215, at the annual meeting held at the Indio Elks hall. Other officers named were William Ferranti, deputy grand knight; Earl Nelson, chancellor; Charles King, warden; William Freeman, recorder; Gene Lan-

zaro, treasurer; John P. Carroll, advocate; Earle Moyer, trustee; Arthuro Preciado, inside guard, and James Lucero, Sr., outside guard.

Get A Bike

DECATUR, Ill. — (UP) — One Decatur businessman has solved the downtown parking problem. He drives to within four blocks of the downtown district, parks his car, rolls a bicycle out of the back seat and pedals the last few blocks to work.

Picture of a lady having the car serviced

DID YOU KNOW THAT LIFE COULD BE SO EASY? You can steal yourself some extra relaxing time—to play with the baby or stretch out with a book—while your car is being lubricated.

Just give your Minute Man a call. He'll pick up the car at your home, take it in for Union's exclusive Stop Wear Lubrication,* and return it to your door before you're ready for the store.

Your husband is sure to be pleased. (Stop Wear Lubrication guarantees satisfaction for 1,000 miles.)

So when he says:

"Thanks for getting the car serviced, honey," you can just say:

"Oh, it was nothing, dear."

We won't tell him you were loafing!

*You don't have to be around to watch. Because every Minute Man is trained in just the same way to give your car custom "Stop Wear" Lubrication. That means he checks and lubricates the exact number of wear points your car's manufacturer has specified... and with Union's own famous Unob-Grease.
